Capt. Zarcone, Capt. Storaker, Sgt. Ramos,

I wanted to bring to your attention the below message regarding an incident on the Blvd on Friday involving a Samuel L. Jackson impersonator. He appears to have brandished a (fake) gun, aimed it at folks and then there was an issue with the 911 call. Please see below; I will send a photo as well...

Thank you,

There was a commotion outside our office a bit ago and it was the Samuel Jackson impersonator. He was yelling at some construction workers sitting outside the office and pulled out a gun (fake) and aimed it at them. One of my co-workers thought it was real and freaked out. I called 911 and they said they would be on their way. It has been about 30 minutes and nothing. Then my co-worker called Hollywood Division and they proceeded to tell her to call the BID officers!! She did and they are not here either. He is gone now but in light of what is happening with the LAPD and the gun issue, they should have been here asap.

Please pass this on to Mitch.

Thanks,

Ana
